

DeLand High School Wind Ensemble – Performance Contract Agreement

Student Name: _____ Alpha ID: _____

Congratulations on being placed in the DeLand High School Wind Ensemble for the 2021-2022 school year. Placement in our top ensemble comes with added responsibilities. Students in the Wind Ensemble are expected to perform the highest level of musical literature. As such, these students must be dedicated to their craft, spending as much time as necessary outside of class and rehearsal to learn their parts. By accepting membership in this elite ensemble, you are accepting and agreeing to this responsibility.

This year, the Wind Ensemble has been invited to perform at the National Band & Orchestra Festival at Carnegie Hall in New York City. All students in the Wind Ensemble are required to attend this trip as this is an adjudicated festival performance. If you are unable to make this commitment, you will still be able to be a member of the DeLand Band program by performing in the Symphonic Band this year. We have many fund raisers planned to assist families with the cost of this trip and do not want any student to be excluded due to financial constraints.

In preparation for the Carnegie Hall performance, as well as our FBA District and State Music Performance Assessments (MPA), Wind Ensemble members will be expected to prioritize our Wednesday afternoon rehearsal blocks. It is a great honor to be selected to perform in this world-renowned concert hall, so we want to make sure that we are representing the DeLand High School community at the highest level possible.

Please sign and return this agreement with your \$200 trip deposit by **August 20, 2021**.

I understand that by signing this agreement I am committed to the above stated expectations for membership in the 2021-2022 DeLand High School Wind Ensemble.
