_____ I can help in other areas (please specify _____)

Any parent who plans to volunteer should register to be a Volusia County Schools approved volunteer by visiting the following link: <http://myvolusiaschools.org/volunteerpartnership/Pages/default.aspx>. In order to complete the process, the parent must scan in his/her photo ID at any Volusia County School as a visitor. This initiates a background check, which must be completed before a parent can volunteer.
